YOUR COMPLETE RESOURCE - LOCALLY AND NATIONWIDE

Corporate Installations brings over 15 years experience to Omni Workspace creating a single integrated resource for a full range of workspace transition, expansion and facility management services and support.

No single resource offers more collective expertise. From build-out through move-in. Locally or nationwide. You only have one call to make for complete facilities services and support.

ONE CONTACT. ONE COMPLETE SOLUTION

Whether it's complete outsourcing, project management or just-in-time, as-needed services, Omni Workspace Milwaukee offers the flexibility and nationwide resources to provide you the experience and staff support to make it happen. From initial planning through day-to-day implementation, your Omni Workspace Project Manager makes sure that processes, people and channel partners all work together efficiently - whatever it takes.

EXPECT EFFICIENCY FROM START TO FINISH

The combined experience of Omni Workspace companies is at work in our streamlined processes and systems that enable us to operate quickly and efficiently. Our highly-trained field service teams ensure a level of professionalism and problem solving you can rely on for any size project or service.

Corporate Installations provides a full range of furniture installation services. At the core of our long-standing client relationships are experienced and dedicated employees. Each year we help coordinate and relocate thousands of employees in companies large and small. As part of Omni Workspace you can now access even more expertise and resources.
