

HOSPITALITY AND HOTEL SERVICES

From renovation to new hotel construction, we provide the warehousing, technology and staff resources to address all phases of facilities transition and expansion.

Your single best resource for proven efficiency and experienced support:

- ❑ Pick-up, Delivery and Multi-location Shipping and Distribution
- ❑ Complete Professional Installation of Furniture, Fixtures and Equipment
- ❑ Tiered, Climate-Controlled Storage Facilities with State-of-the-Art Technology
- ❑ Powerful Asset Management and Inventory Tracking Options
- ❑ Convenient Web-Enabled Asset Monitoring and Management Reporting Software

RECEIVE, INSTALL, TRACK AND MANAGE ASSETS WITH FULL-SERVICE, OR AS-NEEDED TOOLS AND SUPPORT.

Omni Workspace offers full-service furniture and installation support specifically for the hospitality industry. Whether you need to store, deliver, install, or transition assets, your Omni Workspace Project Manager can oversee any or all aspects of project coordination and asset management with highly trained staff support.

COMPUTERIZED WAREHOUSING WITH POWERFUL ASSET MANAGEMENT CAPABILITIES

We can customize our storage system and reporting capabilities to meet your specific asset management needs and requirements. Use our state-of-the-art technology to catalogue furniture upon receipt, track quantities, locations, delivery and final installation.

EFFICIENT AND ACCOUNTABLE PROJECT MANAGEMENT

Your Omni Workspace Project Manager assures that we integrate with your teams and suppliers to work together efficiently using the most cost-effective methods possible. You can count on Omni Workspace for management experience and highly trained staff support for any size hospitality project - from quick public space set-ups to full-scale guest room installation projects. One call to Omni Workspace and you can tap into any, or all of the Hospitality and Hotel resources you need.

Working. In offices nationwide.
